Safe School Council

Council Member | 2020 - 2021

Safe School Council is a school organization that advocates for school and student safety and consideration. We host an annual safe school summit that provides safety demonstrations, as well as activities, to help provide awareness to various issues.

- Created and partook in various video advocacy announcements to the student body.
- Planned various school events to help increase student involvement and awareness in mental-health relation topics.
- Helped design a better school environment to accommodate the changes caused by the COVID-19 pandemic.
- Designed several projects that involved different clubs and classes throughout the school that would help create a lasting impact. Our biggest feat this year has been creating a project to sprout motivational murals throughout the school that should have an impact lasting decades.
